Goebbel laughing
all the time; he is

to be one of the best
flying in Germany.

Then a cry:
- The head is
coming. A
car drives through
the snow. Out
steps a very ordinary
looking man. (H.)

is a mystery to me
how he has his
appeal. Looks like
middle class grocer;
has a ^{admirable} grey brown
moustache, just as
everybody has. His
hair is fairly dark
& brushed.

Hitler surprised me
by his smile, quite
intelligent, natural &
humour. Not a
poseur; natural,
Came out of car,
no tragic gestures,
just an ordinary man.
He saw Goebbels
new car; most
interested. Gets inside,
wants to know all
about it. Me
new brown car with

Hitler inside is down
through the snow,
hoisting. Hitler comes
out - just like a
boy.

Am introduced.
Tiny ^{dark} brown moustache.

has tried to smash

It was probably
he who walked

It must have

to see that the
whole atmosphere
was pro Hitler - a

new spirit & not the
old.

Hitler's speech
is just like Revisionist.
Hitler not for

Fascism
is beginning.
Dehner said -

Dehner: "Must

Princess, George of the

in her mission to
convert Hitler to Nazism."

Fascism is
beginning.
