for bread. I shall send
it by post. I shall stand
at a queue, where I
can get bread for
2 roubles a kilo (3).
In my village there
are 54 households.
We used to have 80
horses. Now there are
18. We used to have one

cow each door & most
doors had 2. Now
there are only 6 cows
left in the whole
village.

Cattle almost disappearing.

~~left Derivation~~ and ydote

When there is bread in the villages - no bread in the towns, that is a right wing derivation.

When there is bread in towns & no bread in villages, that is the left wing derivation.

When there is no bread in towns & no bread in villages, that is the Party line.

Force class

Over - a foot.

You can get 70 rubles for a dollar - worthless.

The dollar will fall.

People who eat in good restaurants are engineers, journalists, well paid. Mirsky got 1500 rubles for one article. Menus bourgeoisie.

In the S. the power of Party is disappearing. The G. P. U. Party is all powerful. Party is losing its power. The

Religion

Party does say nothing.

Dread of
passportisation, being
tossed out to starve.

Religious revival
now in Russia; there
have been passionate
religious scenes. New
sects. Seen when in pent
religion sermons that
is cry "Only the Virgin
Mary can save us."

"It's going to be much better."

A lot of houses are religious.

They send heaps away to Solovki.

"We have to visit the factory."

I like Douglas Fairbanks & Hopwood Lloyd & Monty Banks.

I saw the Demon in the Bolshoi (Grand) Theatre. It was fine. It is terrible in the

villages. "The people find all the gold & silver & brass they can & bring it to the Trotsky. There are heaps of unemployed."

Barnes N.Y. Herald-Trib.
