So we raised prices &  
Private market has  
also raised v. high prices.

Why? Speculation.

Those social elements  
whom we chased out  
but they do people  
accustomed to speculate.  
Private traders creep  
in on the borders. We are  
convinced a very small  
we get them.

We raise price  
in a way to get cases  
e.g. ~~like~~ to get  
money for financing
