We have become
confidently strong and
stronger.

We are far out.
Have to prepare
for attack.

Since I last saw
you and your.

① Political aim -
to show aim of policy
of peace. That we will
never attack; that

we will defend.

Our cells are
factories. often we
spend time in talking
about, but we call
for serious organizers
of all types.

Now new leadership
Many all leaders are
new; most serious.
better quality people;
we have better quality
men.

Spring 1932 - serious
re-organization.

② This was not
good discipline - but
now better discipline.

520

New motto:

3. Being Kpansant
or of force!

Competition between
the cells of organization
in order to struggle
for every cell plan.
Most important
for defense; every
cell plan.

③ 10% of the
cells should become
units of 100.

④ Provision -
10% must pay their
subs. Every 10 days
work and pay.

Lottery is the
chief source of income
for us.

75,500,000 rubles
we got from lottery.

peasant.

"They took away
my grain, cattle
& land. But there
was a lot."

Political Remarks Politically

I've been a member of
Party for 12 yrs. They are
now sending 2,700
from Moscow. I think
they're the best the
strongest. It's semi-
military. We'll meet
1/2 million - some
opposition. We're
pointing all men
who served in
the Civil War. The
club chosen over
600,000 have been
in high educational
schools.

He checked
his fist - hit down

with long sword, muscles,
outflow, crowd.

We are all workers,
mainly from the factories.
We are going to
organize. There'll be
about 4 from each
N.T.C. The N.T.C.
where I shall be
will look after 15 bodies.
We'll give them strict
control.

The weather for
harvest is good, i.e. hot
& sunny.

The weather of
the future have changed.
They want to order. Now they
are subtle. They say yes
we're for the following but
copies. (The one to
be made 500 + 1000)

the 10 still very difficult
to make difficult. The
ground is very hard, and
it is not impossible any
longer.

I was a Captain
in Cavalry, served
Audrey's Cavalry.

The conductors said
that the war was very
difficult to leave
factory. But soon the
to a lot of people leaving
Moscow for southern
account of persecution.
Also there was a lot of
Dunell ago. given them.

I asked a person
who he was going to

had a 10 gold table
and 40 gold 3 in left
Kingsland a man going to
Khartoum to look for a job.
I know no more. My opinion
is of right, because I
was a private trader.

Boy, Kosovodsky
I. about 200. They are
dying - either I believe
the in bread but that
at one.

He was still 5
back. got things around
If you start coal
from Siberia. 10 years ago
I believe there is a lot
better.

the village of Gerasimovskaya
about the station 57 ~~km~~
of Gerasimovskaya & most of
them in stone / fireplace
clay & for the spring
country landscape.

It is not clear in the
whole. Gerasimovskaya
- Markoff says they are
always dirty & seldom
and themselves. But the
report of the Gerasimovskaya
as of an email. What shall
we do with them?

Polina V. K. - the
L. K. of collective farm.

2. K. K. - a little
late. I would like to
from Gerasimovskaya to the
13. child

Albion (Koplov) told
to me that he walked and
they had the same story.
There is no bread. We have
had bread for over 2 months.
A lot are dying. ~~There~~
The first village there are
more people left and
the story of Lysa (Koplov)
was many left. They all
said in the cattle is
dying. ~~very~~ ~~very~~ ~~very~~
Want to feed for world
? Now we are hungry. How
can we now when I have
few home left? How will
be able to work in the
fields when we are weak
from want of food?

Then I caught up

a bearded peasant, who
was walking along the path
covered with snow. He was
telling us of the old
man. He was a large
of bread of wheat. You
could not buy that anywhere
for 20 months. But just
the food.

We walked along &
talking. Before the war the
all gold. He had been and
costs and pays for the
that we are owned. However.

You see that field
was all gold, but now look
at the weeds. The wind was
picking up the snow.

Before the war we
could have bought a great
butter. We were the richest

country in the world for grain.
We fed the world. Now they are
all away from us.

Now people that
and pure. For many years
they were here. They
were there. That's where
I saw the land of the
horse.

A horse is better than
a tractor. A tractor goes
and stops, but a horse
goes all the time. A tractor
is working a certain time
of the year. But a horse
you can use all the
time. A tractor cannot
give you a good horse
can.

How can the young
sow be good? But I like

and with the people we too
were all at work and
busy.

The daily working
was hard with winter
plenty of food.

We took us along
to the cottage. The daughter
the little children. Two of
the smaller children were
mutilated.

"If you had come
before the last year we could
have given you children
and eggs and milk and
fine bread. You have
no bread in the house. They
are dying."

"People are dying
of hunger."

After was in the

And the people were in the
cottage. The daughter
the little children. Two of
the smaller children were
mutilated.

"But the children
are coming to die. They will
take it. They want the food
to eat everything."

No food at all
some in the soup with
a little of potato. No bread
in the house.

No white bread they
thought was wonderful.

No buttered milk
thick with butter and sugar.

to say, as yesterday I said that
most believed that they had
closed the church.

2 or 3 ^{colored} ~~white~~ ^{the}
church had been turned into a
prayer station, in the east into a
church.

* After 3 or 4 hrs. food. I
went to the meeting place, etc.
the way by the

the Friendly House

Tom & T. I walked
about on how. Chatted with
the same thing. There was a
Friedberg.

Isolated children
outside that. "God?" "Grown
up. There is no god."

Talked to the man on
back. It was pretty sunset.
He said "You'd better not go

further, for darkness will not give
of your heart & your feet will."

The other - darkness.
Listen to young Leonard, said.

"He is dangerous. Leonard
stay with us in our village.
Leonard took me along to the
Belmont, full of good
people - children. One of
them belly swollen."

All people very
sore. I rest very
badly yesterday.

by women said: "We are
looking forward to death."

In one village of the
abroad had gone two months
ago. potatoes had just come
but in this was only fungus
(belmont)

for one month. How can they
live till next harvest?

The question in the
Sakamoid was not settled
about when life, Japan,
China, Canada. Why the
crisis? food shortages.
Less. Discussion.

The little village
of 30 young men of village
several families with small
ruddy faces, 27 years of
age. The wife was thin, with
dark copper hair, gold
root earrings. I said

nothing for
hours. But "Not only are
Government in the village."
