July 19th - 1908
I had a short walk around and down back bayou and would return home at 10 o'clock for dinner.
In the first hour I had my best success in the water. I took a large number of fish, mostly small ones, including a trout, but also a few larger ones. The largest was about 12 inches long and weighed about 10 ozs.
I also found a few small fish, mostly sunfish, and a few minnows.

very beautiful. I
walked towards her
and asked her if she
was lost. She said no,
but she was very
worried. She told me
that she had lost
her bag. I asked her
what was in it.
She said that she had
her passport, her
money, her ticket
and her phone. I
told her that I would
help her find her bag.

Then she said,
