On leaving the theatre, I went for the first time with an Ukrainian peasant in a courtyard. He said, "They are dying in the Urkien fruit like cattle. At my village with money I came here for bread. I shall send it to frost. I shall stand a grove, while I can get bread for 2 rubles a kilo. In my village there are 50 households, we used to have 50 homes. Now about 18. No need home me"
