The cattle near all died. The house also.

I joined the family 3 weeks ago. They made me help so many tasks that life became a burden.

The woman came and asked why. "They're killing us. In our village there used to be 300 cows, now only 30. The houses have gone, the land. How can I feed them all?"

"I have a family of 10 people. How can they live?"

"And the kulaks!"

Look at what they call my village. Just murder the peasants, send them away. Oppress, oppress, oppress!"

"How can I have the food? We haven't enough money. They don't give us enough to eat."

"How can I feed the children?"

"Oh, yes, we're old."

"You're not. If it were not for the kulaks we should starve."
