Silk.
Before the war home, but now we have new national industry. In central Asia silk factories, turning the area from colonies into national power. Really national industry. Formerly terrible enemy. Built huge factory in Central Asia.

Think firstly at factors. We'll look together. Production cost high. What area will I sell? Need to budget. So it is veritable. Quality products. Inquire for. There is surplus labour. Now we must cut down my direction.
Factors took on too many horses. That led to low productivity. It's accuracy.
